## Jurassic centre is on!

SEATON'S new Jurassic Centre visitor attraction is all systems go following the announcement that the Heritage Lottery Fund have completed the funding with a £620,000 grant.

Work is expected to start in August and the centre, planned for the regeneration site, will be opened towards the end of 2015 and is expected to attract 60,000 visitors to the resort every year.

Experts have estimated that the centre will provide a £4 million annual boost to the local economy. The centre will be manned by the equivalent of 12 full-time jobs assisted by a team of volunteers.

This second stage award – £56,500 was given to the project in 2013 – will be used for interpretation inside the centre taking the visitor on a unique journey back in time to experience the story of evolution, wildlife and geology.

People of all ages will then find themselves 'shrunk' to the size of a creature inside a giant rockpool and enjoy marine life under the sea under different tidal conditions.

Finally, visitors will go outside to explore a number of exhibitions at their own pace as water cascades above them.

Councillor Ian Thomas, East Devon District Council's cabinet member for economy, said: "This is tremendous news for Seaton Jurassic, for the town and the region.

"This HLF grant is the final piece of the complex funding jigsaw and means we can move ahead on our exciting interpretation plans. The centre will be highly engaging and interactive with the visitor learning more about the area's natural and marine heritage.

"We hope people of all ages will touch, collect, watch, learn and laugh during their visit. I would like to congratulate the team who worked so hard to achieve this significant grant and thank the HLF for showing such confidence in the project."

The idea was first mooted in 2001 and Councillor Thomas praised the people of Seaton for "sticking

with it" and helping to see the project through to fruition.

Seaton Jurassic has now secured almost £4million of funding with contributions from East Devon District Council, Devon County Council, Seaton Town Council, Heritage Lottery Fund Coastal Communities Fund, Garfield Weston Foundation and Fine Family Foundation.

Harry Barton, chief executive of Devon Wildlife Trust who will manage the centre, said: "The Jurassic Coast is an international jewel, and the landscape around Seaton is one of the very best bits of it.

"Seaton Jurassic is all about telling the greatest story ever – the incredible journey of life over millions of years, and how this has led to the amazing wildlife and the equally astonishing array of rocks and fossils that we see today.

"I am really excited that Devon Wildlife Trust is going to play a key part in such a fantastic project."

Nerys Watts, head of Heritage Lottery Fund for the South West, said: "Seaton has a terrific marine environment which, thanks to the displays and information to be included in this centre, as well as enthusiastic support from local volunteers, can be showcased and explained to an increasing number of visitors."

## Flowerbed vandalised

SEATON'S special flowerbed in Windsor Gardens to commemorate the 100th anniversary of World War I was vandalised some time between Saturday night and Sunday morning.

It appeared that someone had walked up the tilting bed and then rolled down it, all over the plants which had been set to depict a large poppy. Work was urgently carried out on Sunday morning to try and repair the damage.

## Sophie fights back at golf championship

**EAST Devon** Girl Sophie Keech played in the prestigious "Henry Cooper Championship held at Nixels Golf Club in Kent last week.

In excellent conditions Sophie shot a very respectable level Par on her 1st round to sit in joint 5th position.

On the 2nd day Sophie's bright and early Tee time saw brought a solid round of -1 to move to 2nd place and make the cut which only the top ten girls did.

On the final day, once again with an early start, Sophie went out six shots behind the leader yet in true "Henry Cooper" style Sophie put in one of the her greatest comebacks - at one time getting back to -6 and just one shot behind the leader with some awesome short play and solid putting.

However, Lauren Horsford held her nerve, both the girls showed great maturity and sportsmanship and Sophie came in runner-up with a score of -3 after three rounds.

# Highways plan for A35 junction

**AXMINSTER** Mayor Jeremy Walden has questioned whether Highway Agency plans to improve the A35 Hunters Lodge junction will satisfy campaigners calling for the junction to be made safer.

The plan has not yet been made public, but **Pulman's View** can reveal it includes what is known as vehicle-activated signs.

The Highways Agency presented its improvement plan for the notorious junction during a closed meeting with MP Neil Parish, Axminster Town Council and Uplyme Parish Council on Monday, June 16th.

The finer details of the plan will be revealed at a public meeting on a date to be announced.

Councillor Walden has, however, said that the proposal involved vehicle-activated signs that would warn motorists in both directions on the A35 about vehicles queuing at the junction ahead.

An extension of the 40 mph speed limit below the Symes Lane junction has also been proposed.

Mr Walden said: "The Highways Agency was advised that the people of Axminster and Uplyme would be unlikely to think this is sufficient and that traffic lights would be the preferred option."

He added that The Highways Agency had agreed to, in partnership with the local highways authority, investigate the possibility of buying land off the B3165 Lyme Road at Hunters Lodge.

## COLYTON

**CONCERNS** over close links between Colyton Parish Council and the Colyton Chamber of Feoffees have continued with a Freedom of Information request being made to the council.

Concerns about the personal interests of parish councillors who are also members of the Feoffees were recently raised when a planning application for 25 houses came forward. Former parish councillor Paul Arnot has now submitted a Freedom of Information request to Colyton Parish Council, seeking more information on its links with the Feoffees.

# From the editor's chair Opportunity knocks for Seaton

**THE** news that the much lauded Jurassic Centre visitor attraction, planned for Seaton's regeneration site, has won its final funding (£620,000 from the Heritage Lottery Fund) will be met with enthusiasm in most quarters.

It is estimated that the interactive experience costing £4 million will attract 60,000 visitors to Seaton every year, a number not to be sniffed at. I never know how such statistics are calculated but I am assured that based on the experience of other projects, this is not an over optimistic projection.

That being the case, Seaton will be the envy of many other communities in Devon which lack a real visitor attraction.

I attended the publicity stunt last week to highlight the Heritage Lottery funding and was impressed by the experience that is in store for those who will visit the centre.

I know from my connections in Lyme Regis that there is huge interest in the earth sciences; for Seaton's Dorset neighbour its a multi-million pound business.

The Jurassic centre, due to be opened next year, has been a long time coming. It was first mooted in 2001 and it's been a good example of a local authority (EDDC) working with other agencies and the community to deliver a first class attraction so

badly needed in Seaton. Some Seaton traders are sceptical about whether visitors to the centre will walk into town. They need to grab that opportunity with both hands and some might well consider whether shutting for lunch and closing for half a day a week has a place in today's trading environment.

♦ **CONGRATULATIONS** to the Sidmouth branch of the Royal British Legion for organising a dignified but quite emotional parade and service on Saturday to mark Armed Forces Day and the prelude to World War One 100 years ago.

The occasion, backed by Sidmouth Town Council, received great support from the town's uniformed organisations as well as the townsfolk who turned out in force to join in the commemorations.

It was great to see so many young people involved, especially two Sidmouth College students, Thomas Varley (11) and Lauren Brewster (12) who read their award winning poems about the horrors of war with great confidence.

For many, especially some of the veterans present, it was quite an emotional occasion.

The Legion, led by chairman Dave O'Connor, deserve praise for combining the two events so effectively and for a superb piece of organisation.

# Funding in place for Jurassic centre

**SEATON'S** new Jurassic Centre visitor attraction is all systems go following the announcement that the Heritage Lottery Fund have completed the funding with a £620,000 grant.

"This wonderful attraction will undoubtedly increase visitor numbers and encourage visitors to explore our beautiful coastline."

## HONTON

# Council u-turn on cedar chalets?

**A SHORTAGE** of housing looks could force East Devon District Council (EDDC) into a controversial U-turn on an "extremely sensitive: Honiton issue.

The issue is about allowing 37 chalets at The Cedars, Otter Valley Park, to be used as permanent abodes. But should the U-turn materialise, it will be too late for those who were forced off the site by EDDC enforcement action only a few years ago.

Year-round occupation is currently in breach of planning rules as the chalets are for holiday occupation only. But a planning application has been submitted to change this, and planning officers are supporting it, recommending approval because there is a shortage of housing in East Devon.

EDDC officers admit the issue is 'extremely sensitive,' and said in a report: "The application relates to an existing holiday park site on the northeast edge of Honiton."

"It seeks a variation of the condition imposed on the occupation of the static units on the site and which restricts their use to holiday use only."

"There is an extensive planning history to the site which has been in use for such purposes for over 30 years, formerly by touring caravans and latterly by static units."

## SIDMOUTH

# Town's homage to Armed Forces

**THE** people of Sidmouth turned out in force on Saturday to witness a dignified double commemoration, honouring the Armed Forces and marking of the prelude to the start of World War One.

Organised by the Sidmouth branch of the Royal British Legion, supported by Sidmouth Town Council, a large crowds lined the High Street to watch a parade of the town's uniformed organisations before joining in a special service on the Ham.

The parade, led by Sidmouth Town Band and marshalled by the Legion's branch secretary Ralph Hickman, included the standards of the Sidmouth, Sidbury and Seaton branches as well as the Royal Navy Old Comrades Association.

Other organisations taking part in the parade included the Army Cadet Force, Air Training Corp and the Scouts and Guides.

After assembling outside the Co-op, the parade made its way down the High Street and along the Esplanade before congregating on the Ham where a drumhead had been built.

After the laying of the standards over the drumhead, a special service was conducted by the Reverend Canon Dr Philip Bourne.

After a short break, the service format was changed to mark the 100th anniversary of the prelude of World War One.

# OTTERY ST MARY £10,000 for church

**OTTERY'S** Grade II-listed United Reformed Church is to receive a £10,000 National Churches Trust (NCT) repair grant.

The grant will be used for urgent roof repairs, including re-slating.

NCT's latest round of grants saw a total of £330,000 being allocated to 21 places of worship in England, Wales and Scotland.

NCT chief executive Claire Walker said: "Many of the churches and chapels we are helping in this funding round serve small rural communities."

"All too often, churches and chapels are the only community building left in a village. Keeping them open and in good repair is vital for local people who use them not only for worship but also for social and welfare activities."

"For many people, the beauty of village churches is one of the most attractive features of the UK's heritage. However, keeping them in good repair is usually way beyond what a small village can afford."

"That's why the work of the NCT and other funders in supporting church buildings is so important."

The Ottery church was started by a renegade vicar from Talaton, Robert Collins, who joined other clergy in defying the political control exerted over the church in the 17th century.

# Lottery funding boost for Seaton Jurassic

### ■ CONTINUED FROM PAGE 1

Councillor Roger Croad, Devon County Council's cabinet member for environment, said: "This scheme is a great example of what can be achieved through committed partnership working and the funding from HLF is recognition of the importance of this project.

"The visitor centre will be an exciting prospect for Devon and will add to the experience offered further along the Jurassic Coast.

"It will be great for Seaton, and for visitors to the area, and will highlight what makes our World

Heritage Coast so unique."

Seaton Jurassic has benefited from tremendous support locally with the Seaton Visitor Centre Trust and the Jurassic Coast World Heritage team campaigning for many years. Local people will be key to the centre's success going forward with opportunities to be involved as volunteers, fundraisers and ambassadors.

Gaynor Sedgwick, Seaton Town Council's chairman and mayor, added: "I am delighted that the Heritage Lottery Fund bid has been successful and the long awaited Jurassic Coast visi-

tors centre is going to be built in Seaton.

"This wonderful attraction will undoubtedly increase visitor numbers and encourage visitors to explore our beautiful coastline and beach and discover how much Seaton has to offer.

"In addition it will offer employment and business opportunities for the town.

"Seaton Town Council thanks all those who have worked so hard over the years to get to this point, and HLF for having confidence in the project and Seaton."

# How would spend cash on sport in Axmouth?

EAST Devon District Council is inviting all residents of Axmouth Parish, plus voluntary and community groups and other local organisations, to send their ideas to Axmouth Parish Council on how £3,450 can be spent on sport in the area.

All the funds available have been accumulated by the district council from recent housing developments in the parish of Axmouth (Section 106 money). EDDC has a nationally acclaimed policy of involving residents in deciding how this money is spent.

### Proposals

Axmouth Parish Council is urging individuals as well as voluntary and community groups and other organisations, especially sports and recreation groups, to submit proposals for projects they would like to undertake.

The ideas can include all sorts of outdoor sports from an outdoor gym or cycle way to works to provide a cricket or football pitch.

Proposals must be for:  
● New outdoor sports facilities or to improve existing outdoor sports facilities;

● Permanently sited sports facilities and equipment (for example: football goals, courts or training areas; not for movable equipment like cricket bats, kayaks or tennis rackets);

● Sports facilities or equipment open and accessible to the community (a small fee may be charged for use of the facilities, but it must be affordable).

Funding cannot be spent on buildings, indoor facilities, professional sports grounds or golf courses. If you are not sure if your project would be eligible you can find out by contacting East Devon District Council's Section 106 Officer on (01395) 571549. Your proposal could just be an idea – it does not need to be a worked up project.

All proposals must be submitted to Axmouth Parish Council by July 14th 2014 at the latest. Please send your name, the name of your group (if you have one), your contact details, information on what your proposal is and an estimate of how much funding you want to apply for if you have one. This could be as minimal as a descriptive paragraph. The council can then contact you for further information if they need to.

### Vote

Please send the information to Axmouth Parish Council by e-mail at [clerk@axmouth.eastdevon.gov.uk](mailto:clerk@axmouth.eastdevon.gov.uk) or you can post it or hand it in to Becki Davey, Axmouth Parish Clerk, 2 Wessiters, Seaton, EX12 2PJ.

Once the parish council has received the proposals they will work with EDDC to make sure the ideas are eligible, affordable and possible.

Residents will be given a chance to look at all the ideas that can happen and vote on them.

The ones that gain the most votes are where the money will be spent..

# Village shop opens after 20-year wait

RESIDENTS of Hawkchurch are celebrating the opening of the first convenience shop the village has seen in 20 years.

The new shop, set up in a cabin on land behind the village hall, owned by Derek and Sue Cowling, was officially opened by county councillor Andrew Moulding in front of a large crowd of residents on Saturday.

Bob Ott, chairman of the Hawkchurch Village Shop Committee, explained that the last village shop had closed in the 1990s after the owner had died and residents requested a new store during consultation for a parish plan. It was agreed two years ago to go ahead with the project and funding was received from Devon County Council, East Devon District Council, Hawkchurch Parish Council and local donations.

Before the official opening, Mr Ott presented a gift to Mr and Mrs Cowling for allowing the use of their yard for the shop.

Councillor Moulding

■ **CELEBRATION:** Hawkchurch Village Shop committee members, volunteers and residents celebrate the official opening of the store with Councillor Andrew Moulding

said he had been delighted to assist the village by helping to secure the funding from Devon County Council. He added: "A village is about community and community is about people, shown by the many people who have come out today."

He then cut a ribbon to officially open the shop, after which residents cel-

ebrated with a special cake and refreshments.

The village shop stocks essential foods and toiletries, as well as locally made produce including cordials, cakes and eggs. It also stocks local postcard and greetings cards by Rachel McKenzie and Chris Perfect, and a selection of plants outside. The committee is currently looking for more

local produce which is unavailable in larger stores to offer in their shop.

More volunteers are also needed, either for occasional or regular shifts. The shop currently has 30 volunteers and is open 9am to 12noon Monday to Saturday and 10am to 12.30pm on Sundays. It is hoped to extend opening hours

later in the summer to 8.30am to 6.30pm Monday to Friday, 9.30am to 4.30pm Saturdays and 10am to 12.30pm Sundays.

Plans for the future also include taking card payments, as only cash is currently accepted, alcohol, teas and coffees.

The Holt, which will open its doors on September 3rd, will provide flexible, exciting and stimulating provision for children aged two years plus. The Holt at Shute is set in its own unit attached to the reception class of the primary school, offering outstanding inside and outside space and access to the organic garden patch, an outdoor stage, and a large school field, trim trail and play equipment. If you would like to request a visit or a place at the unit in September please call Shute School on 01297 33348.

## Entrepreneurs at Hawkchurch Primary

CHILDREN from Hawkchurch Primary School have become budding entrepreneurs with a summer challenge set by their class teacher.

In small groups or as individuals, the children have been allowed to borrow their business start up money (a maximum of £10) from the Bank of Miss English.

The excitement and activity has been building for two weeks, as handmade brackets, homemade crafts and cake making have gone into production, as well as practising for a music concert.

Of course, with any business mar-

keting is required and the school is now awash with posters and ticket sellers.

So far parents and children have been invited to part with their money at a cake stall and a raffle. Next week they are invited to drop by to have their cars washed or buy a bacon sandwich on Wednesday, July 2nd from 2pm or have their pets washed on Thursday, July 3rd.

In order to really encourage the entrepreneurs the children are being allowed to keep the profit they make.

## News briefs

### Police shed warning

**POLICE** have urged residents to be on their guard after a building site shed at Harcombe Road on the outskirts of Axminster was broken into.

PCSO Hayley Widger of Axminster police said: "The padlock was removed by what we believe were bolt cutters at some point between 9.30pm on Saturday July 21st and 8.30am the following day, Sunday June 22nd.

"Nothing was stolen but residents are asked to be aware and vigilant.

"Report any suspicious activity you may see or hear to the police, dialling 999 if activity is occurring at the time of your call."

Anyone with information regarding the Harcombe Road incident is asked to call police on 101.

The crime reference is CR/083547/14.

### Furniture catches fire

**THREE** fire appliances were mobilised to Cridlake in Axminster when plastic furniture caught fire. The alarm was raised at 4.25pm on Tuesday, June 17th, and units from Axminster, Colyton and Chard were despatched.

A spokesperson for the fire and rescue service said: "On arrival at the scene, crews confirmed fire involving plastic furniture at the side of a semi-detached house and got to work checking for fire spread.

"One hose reel, a thermal image camera and a short extension ladder were used to extinguish the fire, which was involving a plastic table and chairs.

"The table and chairs were severely damaged by fire, with heat and smoke damage to the wall, door and soffits of the building."

The spokesperson added that the cause of the fire was accidental.

## Big collection for Diabetes

A THREE-DAY collection in an Axminster supermarket raised more than £600 for Diabetes UK.

The Big Collection is a nationwide fundraising event for Diabetes UK and this year it took place in 328 Tesco stores across the UK on June 13th, 14th and 15th, which marked the end of Diabetes Week.

Diabetes UK regional manager (South West) Phaedra Perry said: "I would like to thank all of the volunteers who gave up their time to help collect donations at the Tesco Superstore in Axminster.

"With their support we've raised £620 for Diabetes UK.

"With the help of volunteers we were able to collect donations from Tesco customers and raise awareness of a condition that affects 3.8 million people.

"We'd like to thank the volunteers for getting into the fundraising spirit and making the weekend so enjoyable and we're grateful to the Tesco customers for their kind donations."

### Boxes that jog the memory

AXE Valley Visiting Scheme (AVVS) is on the lookout for items from the 1930s to the 1970s.

AVVS provides memory boxes for reminiscence workshops in care homes.

Axminster area co-ordinator Gill Amos explained the concept: "Ideally the memory boxes are organised according to theme. A box with the theme 'school-days' may contain an old report card, a slate, antique textbooks, class photographs and a school tie.

"AVVS would like to offer this to more groups, but does not have enough items to create more boxes. We really need help to find items as we are a charity with limited funding.

Something that is of little monetary worth could help others and open up a whole world of memories and connections for many people."

AVVS comes under the umbrella of East Devon Council for Voluntary Service, with funding from Axminster Hospital League of Friends.

Gill added: "Memories are powerful. Even decades later, remembering a certain event can fill us with joy, sadness or amusement.

"Reminiscence work uses the power of memory to help elderly people and the numerous benefits, improving communication, problem-solving and easing anxiety."

## Good support for Millwey festival day

MORE than 200 people turned up for Millwey Community Festival.

East Devon District Council's community development workers - aided by HALFF and Devon County Council - staged the event on Millwey Rise FC's former pitch.

The event was supported by district councillors Andrew Moulding, Steph Jones and John Jeffery plus local Police Community Support Officers.

In addition, Millwey resident Ian Hall, chairman of Cloakham Lawn Sports Centre, was in charge of a kwik cricket exercise.

EDDC community development worker Victoria Robinson said: "The aim of the day is to provide activities for the young people of the estate and their families breaking down barriers between the different elements of the community, increasing community cohesion and

reducing anti-social behaviour. We also want to bring the groups which are active in the area together so that people understand better what is going on and can celebrate the community on the estate.

"This was the most successful event to date and it was great that so many local groups were involved.

"Whole families came, not just young people, and stayed to take part in lots of different activities, some for the whole afternoon.

"The dog tagging was very popular with 12 dogs being micro-chipped free of charge and lots of advice on care given.

"Build a sandwich was also another popular stall, especially amongst the young people.

"We are very grateful to everyone who got involved and hope to build on the success next year."

## The flag goes up for Armed Forces Day

# Walking the coast

■ THE sun shone on a group of local walkers as they were given a guide tour along part of the Jurassic Coast.

Starting at Sidmouth Donkey Sanctuary, James Chubb explained the work the sanctuary carries out both at home and abroad.

"We then walked with him towards the coast while he pointed

out several interesting points," said Mike Green, who is a Jurassic Coast Ambassador and helped arrange the walk.

A bumble bee colony that had been attacked by a badger, a common spotted orchid and various butterflies, caterpillars and spiders were among the attractions.

The group also visited the wild-

flower meadow next to the coast path.

Mr Green then took over to explain the geology of the coast with particular attention to Weston and Branscombe.

"It was a great walk in great weather," added Mr Green.

"All in all it was a very interesting walk and thanks go particularly to James Chubb."

## Keeping it clean

■ **DOG DUTY** | Mayor Gaynor Sedgwick, pictured left with Rosie, and John Meakin, vice chairman of Seaton Town Council, pictured right with Honey, have congratulated Seaton Town Council's dog warden, on his work in the town over the past 12 months in keeping it clean and tidy. Places in Seaton, such as Cliff Field and West Walks, have significantly improved over the last six months thanks to his work enforcing dog bans on the beach during the summer months and dogs having to be on leads on West Walks. He has also placed signs like the one pictured in places he finds a concern or during busy periods and would like to say well done to dog owners for 'acting responsibly'

# Seaton footballers back from France

SEATON Town Youth FC's long awaited trip to their twinning counterparts at Thury-Harcourt FC in France in May was a resounding success.

With the U12s and U14s playing games against the French teams, then two mixed games of French and English teams, the football side of the trip was both entertaining and good fun.

The visit to the historic Pegasus Bridge, scene of the initial D-Day landings, provided an educational element to the trip.

As an introduction to the concept of Twinning it was again very successful, with the children meeting the mayor and local dig-

nitaries, and also members of the Thury-Harcourt Twinning Association.

As a bonding exercise for the club's footballers we hope that they will all carry the sense of teamwork into next season and beyond.

Seaton have invited the French teams back to England and hope to make this a regular fixture in the football and twinning calendar.

The club could not have made this happen without the support of many people and organisations and would like to thank: Paperchain card shop, GW Meats, All Sorts shop, Boots, Flower-

power Aromatherapy, Jimmy Greens, Co-op Honiton, Lyme Bay Law, Trotters Cafe, East Devon Sports Therapy, Amore Italian Restaurant, View From Publishing, Seaton Town Council, Seaton & District Lions, Millers Farm Shop of Kilmington, Seaton Rotary Club, Beviss and Beckingsale, Seaton Town FC, The Gateway, Steve's Print and Design, Complete Meats of Axminster, Swards Coaches of Dalwood, The Old Inn, of Kilmington, Kevin Oliphant Builders, Tesco, View From Newspapers, Seaton & District Twinning Association, Creative Solutions of Axminster and Hilary Sharp Acupuncture.

## Open Garden Day at Peco

PECORAMA has chosen the Devon Air Ambulance Trust as their Charity of the Year and will be opening up the gardens, model railway exhibition, indoor and outdoor play areas for free in a bid to encourage donations on the day.

Peco Open Garden Day takes place this Sunday (July 6th). DAAT will themselves have a strong presence at the event with display stands, a Paramedic Crew and an air ambulance fly past (subject to availability). Mascots Ambrose and Jenni will also be in

the grounds to meet the children.

There will be entertainment from A Wizard called Ozz, competitions, an art exhibition, an on-site broadcast by Radio Exe and the opportunity to drive one of Peco's locomotives along a short stretch of track for just a fiver, all in aid of DAAT.

Miniature donkeys Angus and Fergal will be visiting from Sidmouth Donkey Sanctuary and Seaton Tramway will also have a stand within the grounds.

Do come along and join in the

fun and please give generously to this very worthy cause.

## New coffee shop rolls into town

■ MAYOR Gaynor Sedgwick (centre right) cut the ribbon joined by Town Crier David Gayner (left) shop owner Glenn Moorley (centre left) and members of the Axe Valley Pedallers

NEW coffee shop, 'Broom Wagon' on Cross Street, was officially opened by Seaton town mayor, Gaynor Sedgwick and town crier David Craner this week.

Owner Glenn Moorley said: "I want to thank the mayor and everyone who came today to support us; I really appreciate it."

"I want to offer something different and to create a place for people to come and have a chat and feel comfortable in a good atmosphere. I think Broom Wagon offers that."

Mayor Gaynor Sedgwick added: "I am delighted to be here to open this unique and special coffee shop and thank Glenn for inviting me and for recognising the potential of Seaton and investing in it."

The new shop offers speciality coffee and teas with

by Lottie Welch

the coffee being sourced and roasted locally at the Coffee Factory in Seaton.

Glenn Moorley, an enthusiastic cyclist, found the name 'Broom Wagon' as it is a cycling term for the van at the back of the race picking up the stragglers and keeping them safe.

He is also a trustee of the 'Male Cancer Awareness Campaign' and will use the coffee shop to promote the work of the charity and will be looking to present informal 'awareness' sessions to endorse NearNaked Man one of the charity's cycling challenges to help combat prostate cancer.

# Salvation Army Band visit Kilmington

THE Exeter Temple Band of the Salvation Army recently performed on a sunny day in Kilmington. The band played a selection of old and new songs and hymns in the Kilmington Vicarage Garden to an audience from both St Giles' Church and the Baptist Church.

The Reverend Anne Mills welcomed the band under the direction of Peter Woolway, and Maurice Hawker, a Temple member, led the service explaining that the song choices were a mixture from Kilmington residents and the Temple congregation.

He introduced each song very meaningfully, and the 16 musicians provided a marvellous accompaniment to some hearty singing by those present.

With the sheep in the field alongside, a lovely view of the church and Axe Valley, it was an idyllic setting for a very memorable occasion. Pastor Darrell Holmes thanked the band on behalf of everyone present offering prayers for the work of the Salvation Army to whom the collection was donated.

## Primary and pre schools make an official link

KILMINGTON Primary School and Pre-School have formalised their already close links.

The two schools have formed Kilmington Foundation Partnership, which aims to "ensure continued and consistent delivery of high-quality foundation stage teaching and learning".

To celebrate the formation, primary school pupils put on a poem and rhyme show on Wednesday, June 18th, to which parents and the pre-school staff and children were invited.

# Rousdon plans to remember its fallen First World War men

ONE of Devon's smallest parishes, Combyne and Rousdon, near Lyme Regis, is preparing to remember in a big way the sacrifices and hardships of its men, women and children during the First World War.

Thirteen men who worked on the Rousdon Estate, and lived in the village or neighbouring Axmouth, were killed in the "war to end all wars" - for its population more men than the national average. Nearly every family suffered, from the humble farm labourer to the blacksmith, not forgetting Sir Wilfrid Peek's family who owned the estate.

Men from the village served in every quarter of the globe. Many of the fallen were killed near Ypres and others on the Somme, but some fell in Mesopotamia (Iraq), Gallipoli and on the Bulgarian front.

Sir Wilfrid Peek's brother Grenville was badly wounded in a cavalry charge the first day British forces saw action. He spent most of the war as a prisoner of the Kaiser.

Life wasn't easy for those that remained at home either. The pages of the parish magazine tell of hard times and difficulties; families torn apart by bereavement, the need for blackout in the church. The story of Combyne and Rousdon at war is a microcosm of Britain at war.

These times will be remembered by the village in a special event on August 4th, exactly 100 years after the start of the war.

Laurie Hitchcock, member of the organising committee, said: "It was a

bloody and awful conflict and probably should never have happened, but it did and we want to remember, understand and say thank you to our ancestors for their courage and fortitude."

The commemoration will start around the small village green with a rededication service at the war memorial, unique in that it is also a milepost. Relatives of seven of the fallen troops will attend to pay their respects. British Legion standard bearers will attend and buglers from the Army Air Corps will sound Last Post. The Axe Valley Community Choir, led by musical director Edward Jacobs, will lead the singing.

The service will be followed by the opening of an exhibition at Peek Hall, which will include extracts from the stories of the troops from local historian Roy Jones' forthcoming book. The exhibition will show life at home and at the front during the war.

A short talk will be given by Rousdon resident, TV historian and author, Taylor Downing, and the afternoon will end with a "poppy" cream tea, during which the Axe Valley Choir will lead everyone in singing songs from the trenches.

All proceeds will go to the Royal British Legion.

Mr Hitchcock added: "We are planning a memorable occasion, not in any sense of celebration but to mark what was a pivotal changing point in the history of our country. Nothing was the same again after 1918 and we owe it to that generation to remember and learn."

# Looking at the wider and positive picture for Seaton

■ FURTHER to Councillor Tony Woodman's letter (June 24th) I am amazed at his lack of knowledge about Seaton's new visitor centre, Seaton Jurassic.

As a councillor he should know where his council is spending money. Seaton Town Council, together with EDDC, has been funding this project for many years and is continuing to do so.

It is presumptuous of him to state that most people "don't want it". Has he never attended one of the many presentations about this project made over the years in the Town Hall? If he had, he would know that many hundreds of people are informed about the centre and are enthusiastic, if maybe a little uncertain about our chances of achieving it.

Also, as a councillor, he should be aware of the plans underway to provide extra over-flow car parking to replace some of that lost in the building of the centre.

Far from being bulldozed into having the centre in Seaton, the Visitor Centre Trust has been promoting it

for nearly 14 years. The project in Exmouth only failed because the proposed site turned out to be prohibitively contaminated.

Regarding the suggestion of using the old Woolworths building for the visitor centre, it is not large enough, it has no parking, it has no gardens and it has no area for an outdoor seating area.

Town trade? Surely the arrival of 70,000 visitors a year should present any capable retailer with opportunities?

Let's look at the wider and positive picture for Seaton. Seaton Jurassic will bring in more visitors and money, it will provide more jobs, it will offer a new community resource and it will be a place for us to appreciate and celebrate the wonderful area in which we live and to share it with our visitors.

Chairman, Seaton Visitor Centre Trust

## Mayor's 'mischievous' reply on Stop Line Way

■ HOWARD West's letter (*Pulman's View From*, May 27th) is both mischievous and incorrect in stating that I have got my facts wrong.

Firstly, with respect to the proposed cycle route to Sidmouth and the anticipated resulting £600k benefit, all I said was "don't hold your breath, these proposals take ages to implement". It seems that Howard and I are agreed on this point!

Secondly, despite reassurances and statements from Howard, the cycle/walking route from Seaton to Colyford is also taking ages to implement. Despite, as pointed out earlier, initial proposals and route signing was carried out some nine years ago, there is still no sign on the ground of

any progress being made, and this must be one of the easiest sections of the Stop Line Way to construct.

Finally, because of delays, funding has now been lost and diverted to flood relief in Somerset. It is disingenuous of Howard now to state "surely John Potter does not begrudge assistance to these desperate people". I have not previously mentioned funding and Howard's inference is typical of a politician's ploy to blacken the character of those who disagree with them and divert attention from the main point.

This is not worthy of the Mayor of Colyford.

## 'No decision made' on hospital beds

■ WE write in response to the coverage in the recent editions of the *Pulman's View From* newspapers about the future of community hospitals in East Devon.

Firstly, we feel that it is vital that the local communities contribute to the debate about the choices that will need to be made about the provision of care in East Devon, and also that they should be fully informed about the background to those choices. We welcome the contribution your coverage has made to this.

However, it is important to emphasise that no decision has been made yet on the future of community hospital beds in East Devon. The engagement that the Clinical Commissioning Group has carried out so far shows that, in general people, would like to receive their treatment as close to home as possible, and would like to remain in their own homes rather than be admitted to hospital whenever possible.

We are assessing the needs of all our communities to make sure that we use our resources to provide the best care possible. We are examining the benefits and costs of providing extra care at home and consider the extent to which this provision might reduce the need for in-patient beds. This is even more important considering the health system in Devon has financial challenges, and as a result we need to make every penny we spend go further.

Some of the conversations we need to have can be emotive for people, particularly relating to the future of their

local community hospital. Again, no decisions have been made about this, but we are thinking about how we can best use our much loved community hospital buildings, and this may include using them to host more services and possibly different types of beds – for example extra care, including respite care.

This would provide a sufficient skill base for staff to continue to improve services for patients and may be better value for money. This is the direction described in the clinical commissioning group's (CCG) proposed strategic framework.

It's important that local people and organisations have their say and we encourage them to comment on the proposed strategic framework for community services by July 8th. For full details, go to the CCG's website [www.newdevonccg.nhs.uk](http://www.newdevonccg.nhs.uk)

We'd be very happy to discuss the draft strategy with anyone who wishes to do so. Please contact Tamara Powderley, head of commissioning at the Eastern Locality, on [tamara.powderley@nhs.net](mailto:tamara.powderley@nhs.net) if you'd like more information.

## Loss of hospital beds would be 'tragic'

■ I AGREE with Heather Penwarden that Honiton hospital is a vital community facility and a loss of beds would be tragic, especially after the beds removed from the former Bungalow.

Sadly there were not many users to meet the Care Quality Commission inspectors who visited Honiton to begin their inspection of the hospital on July 1st. June Brown and I gave evidence to the inspectors of the importance of our local hospital to older people who, wherever possible, need to be near their homes and families.

By and large our members seem satisfied with hospital care, though we have some issues about discharge, particularly those living alone, though we understand this is not under the control of the hospital. We also believe the minor

injuries unit must be maintained especially given the demands on our local GPs and surgery.

East Devon Senior Voice branches believe our local hospitals must be saved and there will be meeting on July 22nd to discuss mutual concerns. We shall also be at Honiton Show on August 7th with our HealthWatch gazebo and would be pleased to hear from your readers.

We urge those with experience or views of hospital care to contact the Care Quality Commission, Citygate, Newcastle on Tyne NE14PA Tel 03000 616161 website [www.cqc.org.uk](http://www.cqc.org.uk). Please try to be to be constructive with any concerns. Thank you.

### ADVERTISERS ANNOUNCEMENT

## Axminster's American-themed diner Route 66 is celebrating Independence Day in style this Friday

THE restaurant will be taking over Axminster Guildhall on July 4th for a grand party packed full of fun, music and eating challenges.

The Honky - Tonk Stompers are going to perform some high kicking line dancing to get everybody in the mood, and local singer-songwriter Steve Black will be playing some of his rocking tunes.

Partygoers will also have the chance to jump on a mechanical bull, and feel like they're at a rodeo (hopefully for more than ten seconds!).

Organisers are also inviting bakers out there to decorate a cake in an American style – enter yours for £2 and you could win a cash prize.

Challenge eating has always been popular in the States and the party will be offering some classic events. There will be pie eating (with hands behind the back) for the under 10s... and, due to popular demand, a second round for the over 10s as well!

For those with a big appetite, there will also be a hot dog eating competition. How many can you eat in four minutes? This is a serious

sport across 'the pond' and organisers want to see if us Brits can do just as well!

Route 66's Gina and Kirk are also looking to have a dozen or so people up on the stage to attempt their 'Heatwave Burger challenge'. Participants have to eat an extremely hot chicken burger, chicken wings and fries in under 12 minutes. There is a cash prize for the winner and t-shirts for all who can finish the meal within the set time. Entry will be just £5 rather than the usual £15 it costs in the restaurant.

The main bar will be open and will also be offering Route 66's very popular milkshakes. There will be something on offer for all ages.

The party starts at 7:30pm and runs until 11pm. Tickets are £15 for adults and £10 for under 12s, with a buffet included in the price. Under 5's go free, Family Ticket (2 adults and 2 children) £40.00. Price includes optional entry into the pie/hot dog competition so put your name down early!

Tickets are available in advance at Route 66 Restaurant and the Archway bookshop. If you'd like to take part in any of the eating challenges, be sure to sign up as quickly as possible to ensure your place!

## Axminster bakery celebrating

**W**HEATFIELDS Bakers are celebrating their first successful year of trading in Axminster. Since opening Wheatfields has not only provided locals with the wide selection of bakery goods but caters for a variety of businesses around Axminster and further a field. Paula and her team consisting of Sandie and Sally have worked hard to provide customers with fresh, hearty homemade goods and the popularity of the business continues to grow and grow.

The bakery goods they have on offer range from homemade sausage rolls, freshly prepared sandwiches with a choice of fillings, homemade cakes and the very popular scones. Sandie bakes very unique lemon drizzle scones; customers suggest these are delicious served with a spreading of lemon curd.

Wheatfields sell a wide range of breads including: wholemeal, sunflower, granary and walnut, large white, white Danish and many more. Paula and the team are continuing to expand what they have to offer with new inventive recipes and a mixture of tasty, local ingredients to make the best ranges. If Paula is not available Sandie the manageress is more than happy to help.

One of the services that Wheatfields offer includes delivery runs to businesses including: service stations, Axminster surgery, Townsend Surgery, Trinity House and various offices. Orders include scones, assorted sandwiches and baguettes, sandwich platters, cakes and drinks, the list goes on!

Wheatfields freshly made sandwiches and other goodies are available to buy from other local businesses such as Tower Services in Seaton, Millers Farm Shop near Axminster and Millwey SPAR. Wheatfields supply their bread to Kerrington House Hotel and the Axminster Inn where it can be found on their menus. In turn Mandy from the Axminster Inn provides Wheatfields with a variety of cakes for different occasions. Paula always recommends Mandy to customers who enquire about special occasion cakes as her range

in the bakery are thoroughly enjoyed!

Further, recent success has come from the Wheatfields Cream Tea stand at the very popular Axe Vale Festival where a wide range of homemade scones, the best seller being cheese scones with Brie and chutney were sold. The weekend was a great success and showed the people of Axminster and the surroundings areas how much Wheatfields has grown as a business. Further good news also includes Paula's contribution at a local raffle at Wid-

worthy Fete, a delicious light layered sponge cake adorned with fruit and flowers was offered as one of the prizes, with the option of the winning collecting at a later date. The lucky lady who won the prize has decided to save Paula's layered sponge cake as her wedding cake.

Paula would like to thank everyone for supporting Wheatfields, which has resulted in a very successful first year in Axminster.

WE open with word from the Reverend Simon Crittall: "I am going to put two recent events side by side – the first we were all involved in, even if we did not participate, and the second you may have witnessed on television; the elections, and the international commemoration of D-Day on Sword Beach.

"The first saw UKIP, with its policy of taking us out of the EU, gain substantial support, the second presented the creation of the EU as the positive response to the conflicts of past centuries. I wouldn't want to say that the nature of the EU doesn't need further negotiation, but I do want to suggest, especially when it comes to May next year, that we recognise that separation tends to lead to conflict, and co-operation to peace."

The Archbishop of Canterbury has recently been in Rome and met Pope Francis who described the more than 400 years of division between the churches as a "scandal". Speaking to The Tablet, the Catholic magazine, the Archbishop acknowledged how a vote can be handled in the context of good relationships. Synod approval for women bishops is expected in July.

After the recent meeting mentioned, there has been word from the Vatican that Pope Francis is missing some engagements to save his strength. On their joint agenda, human trafficking and slavery appear. Nevertheless, all local church leaders have repeated their call for prayers to end violence in Iraq and nearby lands, and to protect the minority Christian community. It must also be recognised that developments in the entire Near East cause concern. As well as meeting the Pope, the Archbishop also met the head of the Jesuits, and attended a meeting of the Pontifical Council for Christian Unity.

Back at home, for the Archbishop, it is recorded that numbers attending Anglican churches in the UK are overall dropping, which suggests that local churches could review the content and pattern of their worship. Members of retail businesses frequently review the presentation of their wares for sale and then consider potential customers. Where do churches fit in here?

The House of Lords has also debated the English parish church and suggested that churches should become income and people generators. This topic is a theme of a public debate at Oxford this autumn. On a similar topic, the Ministry of Defence plans a study of religious groups in the Forces later this year.

David Cameron and Ed Miliband joined 700 other guests at Parliament to hear the Archbishop of Canterbury speak about global Christianity. MPs, peers, diplomats and invited guests heard Justin Welby discuss the ways in which the

With NIGEL SPELLER

global church was facing hardship, but he said that it was in times of suffering that the church showed its courage and actually experienced growth. He also praised church schools in this country saying they exemplified "tolerance, acceptance, generosity and openness".

At Ottery St Mary the new Explore service started well; each week, except the fourth Sunday, it will be at 11am with the All Sorts on the fourth Sunday. Otherwise the 9.30am remains the same apart from the All Sorts Sunday.

"Music or Medicine?", a summer concert by Fiona Martin, will be held on Saturday, July 12th at 7.30pm in Ottery parish church. Home groups and Bible study groups are going well, for more details contact the church office 01404 812062.

Mothers' Union meets on the second Tuesday of the month at 2.30pm in the church. Other dates include the Sheldon Singers at Sidholme, Temple Street, Sidmouth at 8pm on July 1st. St Andrew's Church, Colyton, offers a Summer Fair on Saturday, July 5th from 11am to 4pm with a barbecue. On the same date at the Brancoc Hall, Branscombe, the CofE Primary School offers more events at night.

The Royal School of Church Music Guide for October to December and related papers have just been distributed, and as well as normal contents, guidance is given about Remembrance Sunday and marking the centenary of the outbreak of the First World War, including worship advice and resources. The Bible Society has also offered special material.

Notice is also given of an RSCM Devon event on Saturday, September 13th from 2pm to 5pm St Giles', Kilminster, costing £5 to book by calling 01884 34389. The aim is to help music and worship in the country.

The Devon Area Festival will be on Saturday, October 18th at St Andrew's Church, Plymouth, with rehearsal at Exeter Cathedral Chapter House on Tuesday, September 30th at 7.30pm to 9.30pm. ## Women's Institutes ROUND UP

THORNCOMBE

THORNCOMBE WI met on June 10th in the village hall, where John Malcolm spoke on "Aspects of Chard's History and World War One".

John's career was in education, where he taught at a school near Heathrow Airport. He and his wife came regularly to visit Loders, which they loved, and after visiting Chard they resolved eventually to retire to South Somerset, after which John started to delve into Chard's very distinguished history.

By researching back issues of the *Chard & Ilminster News*, John has put together a fascinating dossier about the significant part Chard played in the war effort, from recruitment into the Somerset Light Infantry and other regiments, campaigns to raise money, the setting up of the Royal Agricultural Committee and the Women's Movement of the Land, the formation of Savings Associations and the issuing of War Loan Certificates, and the manufacture of shells at the Lace Mill in Boden Street on behalf of the government.

Substantial amounts of money were raised for the allies, through the selling of flags and the holding of whist drives, etc. and a concert for Serbians was held, with entertainers from London on the bill.

Money was donated to the RSPCA to treat wounded horses and Chard helped in the refugee effort. A Voluntary Aid Hospital was set up in Monmouth House (now part of Chard School), under the auspices of James Gillingham, where the medical staff worked without pay, and which was the only hospital in Britain to receive amputees.

A Chard Community Nurse travelled round on her bike, and her wages were paid by Colonel Gifford, Honorary Colonel of the Somerset Regiment, who was also a big employer in the area. He was owner of the Chard Reservoir who, through his interest in science, helped to invent the periscope and an underwater telescope.

The people of Chard sent gifts to the fighting men, and the children and widows were also provided for. It would appear that Chard citizens were extremely generous with their time and money.

Mr Malcolm ended his interesting talk with two very

moving poems, the first written in 1916 by a private in the trenches, who was proud to be "doing his bit for King and country", and the second by a lady reflecting on the peace and delight of having her soldier home again.

The next meeting will be held on July 8th at 7.30pm, when Tony Burgess will speak on "The Jurassic Coast of Devon and Dorset". The competition is for fossils or rock crystals.

New members and visitors will be most welcome, contact Julia Snellock on 01460 30135 for details.

### ALL SAINTS

A CHANGE is as good as a rest and so it was, when the All Saints & District WI and visitors met in a members garden on a sunny if somewhat breezy afternoon.

The main attraction was the visit of three alpacas from Laurel Farm with their owner Geraldine Thomas, who explained that she and a her husband decided to keep the animals after retiring.

Undaunted by the fact that they knew nothing about them, they set about learning everything they could at the same time as clearing the jungle that would eventually become their farm. They started out with two baby alpacas, who were liveried at a house nearby.

Once installed in their new home they went to northern Chile to acquire 15 more of the animals. Geraldine said this was a learning experience in itself; coping with altitude sickness and trying to speak Spanish, but they eventually bought their animals and gradually built their herd up to 60, although it is now down to 30 as the couple wanted a bit of a rest.

Alpacas are a domesticated species of a camelid and have been bred for thousands of years for their fleece which can be spun into a fine wool. They are a pack animal; they will spit when they are upset about something and will give you plenty of warning as their ears will go back or they will simply sit down.

The next meeting of the All Saints & District WI is on Tuesday, July 8th at 7.30pm in All Saints Village Hall with Peter Cantrell from Day Spring Plants.

All visitors or new members are extremely welcome.

# Drama Club prepare Hickory Dickory Dock

MEMBERS of Axminster Drama Club are now working on the final preparations for their summer, Hickory Dickory Dock.

The story in this family comedy revolves around the visit of two children to their grandparents' home, which has an air of magic about it.

Add into that a band of mice, a proud cat and a group of toys that comes to life when the magic is cast and you have all the makings of a modern fairytale. The story also features a dragon who controls all the eerie places in the magical house and must be defeated before the children can complete their quest.

A spokesman for Axminster Drama Club said: "Hickory Dickory Dock offers com-

edy on different levels, so we hope it will appeal to different people, young and old.

"The story is loosely based on the nursery rhyme of the same name, but in this case, it has magical properties but to find out more, you'll need to come and see the show."

Hickory Dickory Dock will be on stage at the Guildhall from Thursday, July 17th to Saturday, July 19th, with performances starting at 7.30pm each evening and a matinee on the Saturday at 2.30pm.

Tickets are available from Archway Bookshop, Church Street, Axminster, at a cost of £8 for adults and £7 for concessions. Call 01297 33595.

Tickets on the door will cost £10 for adults and £9 for concessions.

## Growing Older (Dis)Gracefully!

GROWING Older (Dis)Gracefully will perform an evening of dance and dram at Kilmington Village Hall, on Saturday, July 5th. A light supper will also be available on the night.

Growing Older (Dis)Gracefully is an amateur group of adults, mostly over 60, with the oldest member being 83. They have many different dance backgrounds, some had not danced before they joined the group, and others have spent their working life teaching dance. All have one thing in common: a passion for dance, and, above all, the love to share this passion with others.

The dancers say: "We are looking forward to returning to Kilmington with a brand new dance programmer, incorporat-

ing lots of entertaining music and colourful costumes.

"We will take you on a journey through time from Tudors, Suffragettes and wartime England and then across distant lands - the Andes to the gospel lands of America. You will be amazed, laugh, and be sad. Above all we hope you will share our enthusiasm and enjoyment for our dance.

The evening of entertainment takes place on Saturday, July 5th at 7.30pm at Kilmington Village Hall. Tickets are £11 (to include light supper and glass of wine), and are available from Hurfords Stores (Kilmington) and Archway Bookshop (Axminster). Profits from the event will go towards the upkeep of the village hall.

## Utton brings Churchill to The Beehive

PERENNIAL one man Fringe legend Pip Utton brings Churchill to jowly, acerbic life over seventy minutes on Saturday, July 5th at The Beehive in Honiton.

Utton's delivery is remarkable, catching Churchill's unique intonation and rhythms without resorting to caricature and, unfair though it is to say, he looks quite like Churchill, too. Utton gives us not only the great statesman, but moments of touching intimacy as Churchill talks longingly to his dead wife. Sharply scripted with plenty of laughs to

balance the more serious, darker moments - in fact, the best jokes are drawn from Churchill's own bon mots. A really entertaining, moving and informative hour of drama - don't miss it!

The show starts at 7.30pm. Tickets are £8 adults, and £4 under 16s, available at [www.behivehoniton.co.uk](http://www.behivehoniton.co.uk) or by calling 01404 384050.

## Summer sales continues at Pennys Fine & Country

Momentum, acceleration, upward curve...call it what you will but the Seaton and East Devon property market is on the up, of that there's no doubt. The classic indicators are springing up all over...those sale agreed and sold boards! Even those properties that have 'stuck' for a few months are now seeing buyers committing to them, a sure sign of buyer confidence having returned.

Market movers?...Actually, all price ranges are see-

ing persistent interest and offers being made. Just a few examples of our sales in June included a five bedroom, brand new house in Sidmouth off an asking price of £795,000, a classic Edwardian three storey house in Colyton asking £249,950, another town house this time in Seaton with an asking of £229,950 and a detached bungalow in Seaton with views with an asking of £340,000.

Onwards and upwards?...The market shows no sign of slowing with a healthy number of new, proceedable buyers registering so, with accurate valuation still vital, we are confident of a strong Summer market.

## SPOTLIGHT ON MY SERVICE

## Eden Garden Developments

**EDEN** Garden Developments make finding a contractor simple by providing for all clients' Garden Design, Construction & Care requirements, large and small locally. The Design & Build unit of A1 Environmental Services, offers a friendly, professional, integrated service.

Designing and installing all types of Fencing, Gates and Decking, Walling and Patios, Eden offers a complete landscaping service including Lawns Horticulture and Aquatics, either as a package or in affordable stages.

An example is paving where patios can be constructed cost effectively to suits a range of budgets and can be integrated with other elements such as walling or bedding on a planned basis. Paving is usually laid on a concrete mix over hard-core for strength and durability. Layouts can be traditional or "random" in configuration (see insets) and utilize computer aided design.

Business founder, designer and artisan craftsman Norman Brown holds an MSc. in Environmental Planning & Management and has contributed to books, periodicals and the gardening press. Further information can be obtained by calling 01297 23596 (mobile 07977 415446) or visiting the web pages at [a1-environmental.com](http://a1-environmental.com)

## Vauxhall Marks 10 Years of VXR

Vauxhall's VXR brand has come of age in 2014 with the latest addition of the mighty VXR8 GTS marking ten years since the VXR brand made its debut on UK shores.

With total sales now exceeding 20,000, the VXR range has been embraced by UK car enthusiasts, who have built up a loyal following to the brand.

As a result, Britain has always been the leading market in Europe for Vauxhall/Opel performance cars, known as OPCs in other countries.

There are currently five cars in Vauxhall's VXR range: the Corsa VXR, the 210PS Corsa VXR ClubSport, the 280PS Astra VXR, the 325PS Insignia VXR and the 576PS VXR8 GTS. With a combined power output of nearly 1,600PS, there are few performance car ranges that offer so much power per pound.

The first cars to bear the VXR nameplate were the VXR220 and the Monaro VXR, both of which were launched at the British Motor Show in Summer 2004. Number One VXR220 still resides in Vauxhall's Heritage Centre, while the Monaro VXR – '...a true rear-wheel drive car for enthusiasts' – was 40 per cent cheaper than a BMW 6-series at launch, yet developed 330PS from its 5.7-litre V8 engine.

But sports cars and rear-drive coupes haven't been the only models subjected to VXR makeovers. The Zafira and Meriva MPVs were unlikely candidates, but proved that up to 240PS in a front-wheel drive people-carrier needn't be an unruly experience. Chassis development at the Nordschleife helped, as did a raft of cabin upgrades, including Recaro front seats.

More recently, models like the Astra VXR and Corsa VXR ClubSport have adopted sophisticated differential technology to cater for ever increasing power outputs. Manufactured by Drexler, the units help power to be applied more effectively through bends,

giving the impression that driver is being pulled towards the apex under power.

And technological innovation is now the VXR bedrock. Torque Vectoring and magnetorheological damping (VXR8 GTS), adaptive all-wheel drive (Insignia VXR), FlexRide adaptive damping (Astra and Insignia VXR), as well as generous levels of standard equipment in all VXRs have made the range a firm favourite with British enthusiasts.

This year also marks the anniversaries of two iconic performance Vauxhalls that never wore the VXR badge. Launched in 1989, both the Calibra and Lotus Carlton are now celebrating their first quarter-century. The Calibra was unveiled at the Frankfurt show, and with a Cd of just 0.26, it became the most aerodynamic car in its class, which when combined with up to 200bhp and all-wheel drive in later models, made it a credible rival for cars like the Sierra Cosworth and Lancia Delta Integrale. The Calibra was produced until 1996, by which time over 40,000 had found homes in the UK.

More than 65 years after producing Britain's first 100mph road car, Vauxhall proved that it was still adept at causing a stir in the performance car world when it launched the fastest four-door saloon in the world: the Lotus Carlton.

With 377bhp from its twin-turbocharged, straight-six engine, Vauxhall's super-saloon could crack 176mph and accelerate from 0-62mph in 5.4 seconds. And with a chassis developed with Lotus Engineering, the Lotus Carlton was an assured and finely balanced car that was equally adroit on fast British A-roads or belting along de-restricted Autobahns.

And 25 years on, perhaps the Lotus Carlton has finally met its match with the latest VXR8 GTS... Either way, the VXR range continues to go from strength to strength.

## East Devon Cricket round-up

## Dan's the man as North Devon are skittled for 66

SIDMOUTH progressed through to the next round of the Devon cup after a seven wicket win over Heathcoat on Sunday.

Sidmouth skipper Will Murray won the toss and inserted the hosts who were in all kinds of trouble at 28 for 6.

Home skipper M.Adams struck a gutsy 89 off just 76 balls which included 8x4s and 5x6s.

Sidmouth had few alarms in chasing down their target of 137for the loss of just three wickets with Joss Bess clipping a six-boundary 53 and Anthony Griffiths an unbeaten 37.

◆ Sidmouth's Devon skipper Joss Bess has been selected to play for the Unicorns against Sri Lanka A at South Northumberland next month.

The Unicorns are the representative team for the Minor Counties Cricket Association.

Meanwhile, back in Saturday's Francis Clark East Devon League Premier Division fixtures Dan Babula took 5 for 23 as Sidmouth 1st XI extended their lead at the top of the Premier Division to 38 points with a comfortable six-wicket win over North Devon.

## HONITON RUNNING CLUB

with Judy Davey

HONITON Running Club's Alasdair and Esme Moffett took part in the PURBECK 10K on Friday, 20th June.

This is a race based on the picturesque Isle of Purbeck in Dorset and money raised goes to the Swanage Life Boats.

The race is hilly but Alasdair had a great run especially considering he had fractured his ankle just six weeks ago. He finished 115th in 45 minutes 3 seconds. Esme also had a good run and did well to come 174th in 47:40. The race was won by Dan Mulryan in the fantastic time of 34:09. There were 433 finishers.

Steve Davey and Howard Bidmead took part in Sidmouth Running Club's BEAT THE BUS race last Wednesday.

The race starts at Otterton and takes runners cross country towards Sidmouth and back whilst attempting to 'Beat the Bus'. The bus obviously takes the road route and returns the same way!

Steve and Howard both managed to beat the vehicle back to Otterton with Steve coming 22nd overall in 48:41, Howard coming 29th in 51:40 and The Bus coming 47th in 56:30.

The race was won by Jason Drew in 39:01 and there were 67 finishers...including the bus!

## AXE VALLEY RUNNERS with Dave Mutter

LAST Wednesday night Luke Reed took part in an Aquathlon at BOWLEAZE COVE in Weymouth.

The race, organised by Bustinskin Events, consisted of a 1000m sea swim followed by a 5k run.

Luke had a solid swim apart from taking a slight detour at the first buoy; he completed the swim in 22.03 then had a good run with a time of 19.03 giving him an overall time of 41.07 finishing 4th overall.

Then on Sunday Luke completed the NELLO FORCE CHARITY BIKE RIDE - his first 100 miles which he completed in six hours.

On Sunday Diane Newton ran her first off-road half-marathon, the Area of Outstanding Beauty NORTH DEVON HALF-MARATHON.

The run is a demanding but beautiful run including a variety of terrain enough to test any runner so Diane was very pleased to complete the course in 2:41:02, in 314th position out of 389 runners. The race was won by Ronnie Richmond from Bideford AAC in

1:24:23.

Graham Newton went one step further, running the full marathon.

The race started under clouds and rain but by mid-day the sun was beating down relentlessly so Graham was more than pleased to finish in 23rd position overall out of 177 runners in 4:00:11, taking the over 60 men's veteran prize, knocking a full 15 minutes off his previous best time for this race. The race was won by Peter Sutton in 3:14:46.

Also on Sunday 29 June three AVR's made the early morning journey down to Paignton for the 9am start of the TORBAY HALF MARATHON.

With over 2200 entrants, the start line was more than a little congested but the runners were soon in their stride on the two lap course to Torquay and back.

Alan Morbey was the first AVR home in 1:53:21. Keith Agland only started running when a work mate at Pecorama died recently aged 47 from cancer so he decided to run and raise money for Macmillan cancer and completed in 2:02:05, with Gavin Warren taking 2:12:00.

Running in their first ever half marathons, both Keith and Alan were delighted with their times.

## Sophie fights back at Henry Cooper Championship

EAST Devon Girl Sophie Keech played in the prestigious "Henry Cooper Championship held at Nixels Golf Club in Kent last week.

In excellent conditions Sophie shot a very respectable level Par on her 1st round to sit in joint 5th position.

On the 2nd day Sophie's bright and early Tee time saw brought a solid round of -1 to move to 2nd place and make the cut which only the top ten girls did.

On the final day, once again with an early

start, Sophie went out six shots behind the leader yet in true "Henry Cooper" style Sophie put in one of her greatest comebacks - at one time getting back to -6 and just one shot behind the leader with some awesome short play and solid putting.

However, Lauren Horsford held her nerve, both the girls showed great maturity and sportsmanship and Sophie came in runner-up with a score of -3 after three rounds.

## SEATON with Linda Stone

ON Monday Seaton entertained three triples from HONITON and won comfortably. The top rink was Audrey White, Lilian Hurley-Smith & skip Pat Whitworth.

Tuesday saw four rinks make the journey to STARCROSS. The home team won easily overall, but everyone enjoyed the match and hospitality and novice Bill Lauder played his first game for the club showing a great deal of promise for the future.

On Tuesday evening the men played a County Trophy match against HONITON. After a close game, Honiton just won by three shots with each club winning two games. Seaton's top rink was; Norman Stone, Reg Pluck, Terry Hurley-Smith & Ron Rowley who won 25-14.

On Wednesday both the Seaton "A" and B teams travelled the 92-mile round trip to NORTH TAWTON to play their respective "A" and B teams in the Over 60s Triples League.

Seaton A managed to hold on to their unbeaten record this season, but only just!

Going into the last end needing two shots to draw and three shots to win they managed the former, so the match ended in an honourable draw, with both teams scoring 28 shots. The top triple was David Ford, Roy Carnell & Alan Wood.

Seaton B had more success and won their away match against the Division 5 leaders North Tawton B, returning with an impressive seven point win. Top rink was Richard Whitworth, Bob Scull & skip Dave Yardley.

Meanwhile, the C team travelled to BELMONT where they lost 30-38. The top triple was Keith Harris, Malcolm

Carvell & George Mabon who won their rink 16-15.

Friday's game was cancelled as CULM VALE could not raise a team and Saturday's game against DONNYATT was cancelled due to inclement weather.

## OTTERY ST MARY with Mike Smith

THE mens over 60s 'A' team continue to do well in Division Three of the Exeter & District Triples league, with a re-arranged home fixture against CULM VALE C resulting in a six-point win.

This was followed by an eight-point home win against OKEHAMPTON 'A' which sees them maintain second place just two points behind leaders Seaton 'A'.

The B and C teams both suffered defeats this week.

The B team losing narrowly at MADEIRA E, and the C team going down against PINCES C at home.

In a friendly match away to CHARD-STOCK Ottery had a fine win on all five rinks, with the best rink of; Dave Rose, Bob Porton & skip John Ward winning 20-11.

The following day saw another win for Ottery in a friendly match at home to CHUDLEIGH.

Free bowling is still available for any new players who would like to try their

hand - just turn up from 6pm with a pair of flat shoes or trainers, more information can be obtained from Mike Smith on 01404 811195.

## HONITON with Tony Broughton

THERE WAS a rather disappointing start to the week had three Ladys Triples losing 42-73 at SEATON.

A little honour was retrieved when the Men played the Seaton Men in the County Trophy Tuesday evening.

The home leg won one and lost one at 14-25 and 24-16 whilst the away leg did the same at 25-28 and 15-16 but winning the match by 78-75 and getting the lion's share of the points.

The ladies continued their good run in the National Top Club Competition when they played HEMYOCK on Saturday morning winning three of the four disciplines.

Carole Binmore won the singles, Yvonne Rayner & Shirley Hiscocks won the pairs, Dulcie Broughton, Brenda Harris, Carol Smith & Julie Grant won the fours but Joan Heard, Lynda Dommett & Sue Evans lost the Triples.

Later that day the club held it's CHAR-ITY DAY MATCH with all proceeds generated going to this year's nominated charity, Hospiscare.

Fifty six people turned up for the day that started with a round-robin competition, the theme being Ladys Day at the Races.

The majority of players turned up dressed in some kind of horse racing orientated fancy dress and the whole afternoon and match was a great success.

The winner of the competition, and perpetual Trophy which had been donated by Mr S.E.D. Fortescue, was Keith Parsons, runner-up was Daphne Courtney.

This was followed by an evening of Horse Racing and in all the day raised £265. This brings the total already raised so far this season to around £500.

Good fortune continued on Sunday when four Mixed Triples from BROAD-CLYST came to Honiton and were squarely beaten 81-54. June Lee, Di Hawkins & Mike Critchley won 30-11. One triple won 19-9 but the other two lost narrowly by one shot each.

Unfortunately, this was not the same for the four rinks that travelled to CULM VALE for a Two Counties League match played at the same time with all four rinks losing.

## AXMINSTER with David Harris

WE have had a dearth of fixtures during the past fortnight with only two Mens Over 60s and two mixed friendlies played.

We lost the first Over 60s match at STARCROSS 25-44 despite a good 17-15 win for Brian Cursley, John Hill & Bob Sherborne and tied our next at home to Chardstock 34-34 with an 18-13 win for Howard Keep, David Harris & Doug Looskan.

We lost both our mixed friendly games, firstly at LYME REGIS (73-109) with only Brian Cursley, Derek Pheby, Ann Clayton, & Doug Looskan managing a win (20-15).

This was followed by a 63-73 defeat and at KINGSTEIGNTON when we fell away towards the end after leading for most of the match - our winning rinks were; Brian Cursley, Brenda Raistrick & John Hill (18-14) and Pam Clark, Derek Pheby & Bob Sherborne (16-15).

## golf round-up

## Gillard in top spot

## HONITON with Andy Wagner

THERE can be fewer prestigious prizes to be won at the club than the John Adams Scratch Cup awarded to the season's best scratch golfer - a trophy fought for over 36 holes in one gruelling day. For 36 holes your handicap means nothing and all that matters is your score against par.

A bright, equitable day had a few rounds in the low 80s putting down markers against a par of 69 but Mark Gillard's nett 76 was going to be hard to overcome over only 18 extra holes.

As it happened his nearest rival Mark Tierney's nett 79 fell away badly in the afternoon and Gillard went round in an impressive 77 for a brilliant nett 153. In the end his nearest rivals were Peter Clarke 83, 79 for 162 and Dan Noar 80, 82 for that same 162.

## TUESDAY MIXED

THE Mixed Invitation was played this week in glorious weather with many compliments from the visitors on the excellent condition of the course.

Forty six players participated with guests from over 12 different clubs. The winners, with a score of 46pts, were Allan Seager playing with his guest Glenda Board from Axe Cliff Golf Club.

In 2nd place were Max Pipe with Lucille New from Looe Club. Taking 3rd place on count/back with 41 were Richard Pyle and his guest Sandra Walker from Axe Cliff and 4th place losing out on count/back were Peter Dart and his guest Alison Cook from Sidmouth.

Four pairs had 2s receiving 12 balls each - they were Paul Hill & Sandy King, Phil Wall & Alison McGowan, Mike Watts & Margaret Ketchington and Max Pipe & Lucille New.

Nearest the pin for the Men on the 12th hole was won by David Chapman (33ft) and for the Ladies on the 2nd hole Sandy King (3ft).

The Hidden Holes prize was won by John Northover and his guest Anna Bath.

## SENIORS SECTION

THE early starters for the RON BLATCHFORD CUP competition were hoping the weather forecast was correct and rain would come later. No such luck and the whole field endured a good soaking.

The scores correspondingly reflected this with most players failing to match their handicap.

In Division One Vic Wood came out on top with 71 just beating Paul Ritchie on count back. Don Stroud and Tony Williams were next on 72 with Stan Squire taking the final prize with 73.

In Division Two David Lavender was first with 71, six shots better than Peter Blake, George Smith, Jack Phillips and Bill Eaton all with 77 and taking the rest of the prizes.

The Seniors Champion was Vic Wood just beating David Lavender on count back.

## AXE CLIFF with Helen Kenworthy

Wilkins also netted the only 2 of the day. In the Masters, second place went to Neil Moorcraft (20) and third to Bill Polley (16).
